

MEMORANDUM

To: Parties in PSB Docket No. 7373

From: Susan M. Hudson, Clerk of the Board

Re: Cancellation of Technical Hearings, Notice of Status Conference, and Extension of Deadlines

Date: October 8, 2008

In light of the parties' responses regarding cross-examination estimates and witness availability, the Public Service Board ("Board") has canceled the technical hearings previously scheduled for October 15, 16 and 17, 2008, in the above-captioned docket. Instead, on October 15, a Hearing Officer of the Board, Kurt Janson, will convene a status conference for the purpose of developing a witness schedule for the remaining hearing dates.¹ (A notice of the status conference is enclosed.) At the status conference parties should be prepared to discuss the availability of each of their witnesses.

Also, several parties have requested extensions to today (October 8, 2008) for submitting responses to motions that Carl and Judy Ferenbach filed on September 30, 2008, and for submitting a proposed order of witnesses. The Board has asked me to inform you that it grants the requested extensions.

¹The Board anticipates that only a small number of those remaining dates will be needed.
